Steeped in history  
and prepared for  
the future.

By respecting the past and embracing the future, the Billiards Building creates a truly unique workspace offering.

Historic façades tastefully mask the high-quality, modern interior which aims to exceed the needs of the current occupier.

The newest iteration of the building has been developed around three guiding pillars:

## Purposeful.

Best in class refurbishment.

## Human.

Wellness experience at its centre.

## Considered.

Honest sustainability commitment.

These form the basis of a workspace that exceeds the demands of today's occupier.

Impression.

Welcome,  
meet &  
focus.

Set within an impressive triple height atrium, the newly refurbished reception leads on to a generous business lounge and meeting rooms.

Designed as the focus point of the building, the entrance experience creates moments of serendipity that help to build community.

Nourish.

Eat, drink  
& relax.

The ground floor also provides a bright café connecting directly to the business lounge allowing workers and visitors casual space to break bread or enjoy moments of quiet.

Operated by LAB Coffee Works.

Rejuvenate.

For the  
heart & soul.

The Wellness Hub, Gym and  
Yoga studio are perfectly  
complemented by generous  
changing rooms and showers  
on the lower ground floor.
